

### ***Speaker Bio***

Following graduation from the Oxford Forestry Institute in the UK, Dejan Lewis worked as a consultant in Brazil, Cameroon and Guyana. Dejan has been based in Indonesia for the last 11 years working initially as a consultant for DFID, the European Union and private industry, and for the last 7 years with the Tropical Forest Trust focussed on supporting TFT member supply chains working towards FSC certification. Dejan is currently S.E Asia coordinator for the EU-TTAP program.
